		Associate Professor	26	07	16	07
		Professor	15	03	08	03
		Total	64	16	42	12
	Please provide a university-wise and institute wise breakup of sanctioned OBC faculty posts, filled positions and vacant positions across all teaching cadres (Professors, Associate Professors and Assistant Professors).	Name of the post	Sanctioned OBC posts	Filled position	Vacant position

	Why have so many OBC faculty posts remained unfilled despite the availability of qualified candidates, and what steps are being taken to address these vacancies?	The institute advertised posts for Assistant Professor in 2023, but no candidate qualified in the selection process. Currently, the advertisement for the post of Assistant Professor is being prepared. The roster register for the posts of Associate Professor and Professor has been finalized, and the vacant posts will be advertised soon.				
	Has the Ministry conducted an audit of the Roster Register maintained by Central Universities and Institutes to verify whether the OBC reservation policy has been correctly implemented? If so, please provide the details of such audits and their findings	NA				
	Has the Ministry taken any action against Vice-Chancellors, Directors or selection committees responsible for non-compliance with the 27% OBC reservation policy? If so, provide details of the actions taken.	NA				
	What measures are being taken to ensure transparency accountability, and adherence to OBC reservation policies in future faculty recruitments including the regular monitoring of Roster Registers?	The Instructions issued by the Ministry of Education from time to time are being implemented at this Institute.				
	Will the governments introduce new oversight mechanisms, such as an independent committee or regulatory body to ensure strict compliance with reservation policies and penalize institutions found violating them?	This institute follows guidelines issued by Ministry of Education, Government of India time to time.
