

ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT

eNewsletter

Vol. 01 No. 04 , October-December 2018

ECE Department welcomes Dr. Amod Kumar in the department. He did his B.E. (Hons.) in Electrical and Electronics Engineering from Birla Institute of Technology and Science, Pilani (Raj.); M.E. in Electronics from Punjab University, Chandigarh and Ph.D. in Biomedical Signal Processing from IIT Delhi. He has about 39 years of experience in Research and Development of different instruments in the area of Process Control, Environmental Monitoring, Biomedical Engineering and Prosthetics.

He has superannuated as Chief Scientist at Central Scientific Instruments Organisation (CSIO), Chandigarh which is a constituent laboratory of CSIR. Thereafter, he has joined National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh as Professor. He has more than 75 publications in reputed national and international journals. He has worked at Technical University Berlin for one year on DAAD fellowship in 1987-88. He has also remained associated with Post Graduate Research Programme of Academy of CSIR (AcSIR) leading to Ph.D. degree in the capacity of Professor.

His areas of interest are Digital Signal Processing, Image Processing and Soft Computing.

ECE Department also Congratulates Dr. Rajesh Mehra on being appointed as regular Professor in Curriculum Development Centre, NITTTR Chandigarh

ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT

- **Training Programme:**

- A. Long Term Programme**

- ME Regular- Batches of 2017 and 2018
 - ME Modular- Batches of 2016, 2017 and 2018
 - Phd Scholar Student's- 5

- B. Short Term Programme**

Topic	Date	Faculty
Next Generation Wireless Technology	26 th -30 th November	Garima Saini
Embedded World	26 th -30 th November	Kanika Sharma

Modular Batch Students

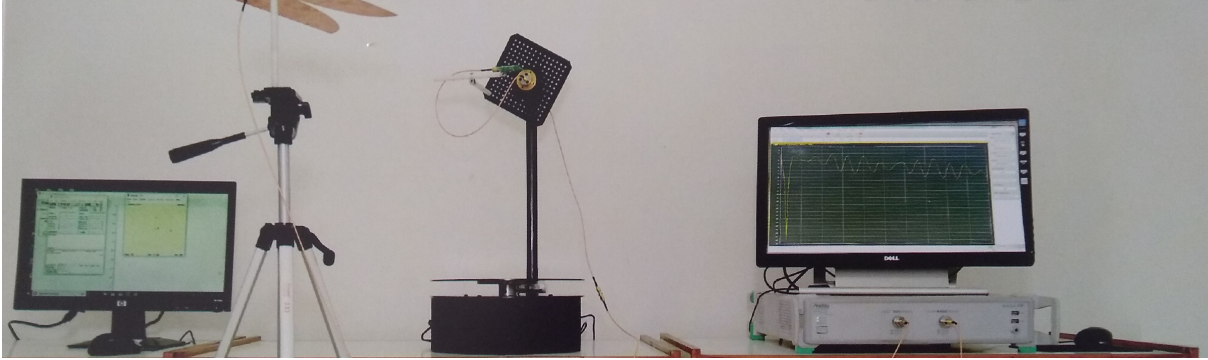

- **Research & Development: (Completed)**

- ME Pre-thesis – NA
 - ME Thesis – NA

ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT

- **Extension Services & Consultancy:**

Antenna Measurement System Installed in ECE Department

- **Other Activities:**

Dr. A.L Das, INAE visiting Professor(ECE Dept.) engaging with the students of modular batch through an interactive session conducted in the department.

ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT

Pradhan Mantri Kaushal Vikas Yojana(PMKVY):

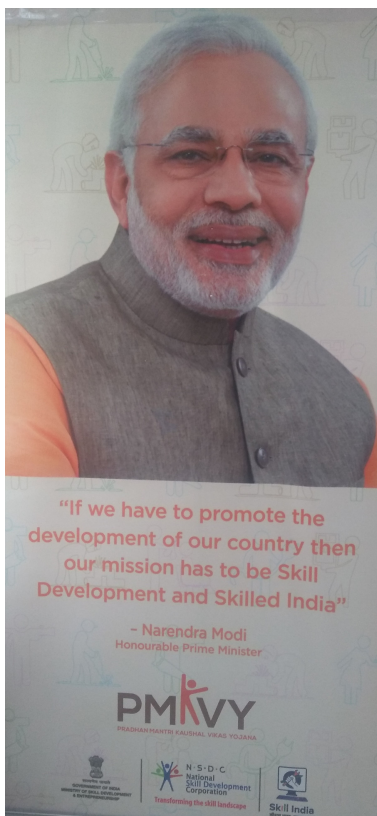

ECE Department has been selected as Govt Training Provider and are granted to start the following course under Pradhan Mantri Kaushal Vikas Yojana(PMKVY):

Web Developer

Junior Software Developer

This scheme was approved on 20th march, 2015 and was subsequently launched on 15th July, 2015, on the occasion of World Youth Skills Day by Honourable Prime Minister, Shri Narendra Modi.

It is implemented by National Skills Development Corporation(NSDC) under the guidance of the Ministry of Skill Development and Entrepreneurship(MSDE). With vision of 'Skilled India', MSDE aims to skill India on a large scale with speed and high standards. For greater realisation of this vision, PMKVY is the flagship scheme launched to drive the purpose.

Coordinator:
Er. Garima Saini
