About This Workshop

With the increasing depletion of energy and growth in climate change, developing renewable energy has become the central theme of world energy development. New energy materials and devices are the keys to implementing the transformation and utilization of renewable energy technologies. This two-day workshop will focus on the research and development of a new generation of high-performance energy materials, technologies and devices.

Resource Persons

The sessions will be engaged by eminent speakers of National and International repute.

Eligibility

Faculty from technical institutions approved by AICTE/ MoE, Govt. of India.

There is no Registration Fee for attending this Workshop.

About IKGPTU Amritsar Campus

IKGPTU Amritsar Campus has been established in 2014 to provide Quality Technical Education especially to students from rural belt belonging to weaker sections of society and to people of all sections in general. The main focus is to produce Quality Engineers according to the needs of Industry at State, National and International levels. IKGPTU Amritsar Campus has prime location on G.T Road, Amritsar near Guru Nanak Dev University.

About NITTTR Chandigarh

National Institute of Technical Teachers Training and Research (Formerly TTTI), Chandigarh is one of the four national institutes established by the Government of India in 1967 for the development of technical education in the country. The institute offers a wide range of Short Term Courses for faculty and staff of technical institutions. The institute also offers Ph.D. and Master's Degree programmes in six disciplines on regular and part-time basis. The institute is situated in a well-developed campus in Sector 26, Chandigarh. The institute is about 12 km from airport, 5 km from Railway Station, 5 km from Inter State Bus Terminus, Sector 17 & 8 km from Inter State Bus Terminus, Sector 43.

NOTE

- There is no Registration Fee for attending this Workshop.
