

ECE DEPARTMENT, NITTTR CHANDIGARH

INDUSTRIAL TRAINING ON WIRELESS COMMUNICATION AND INTERNET OF THINGS

INTRODUCTION TO WIRELESS COMMUNICATION

Overview, Evolutions of Industrial Wireless Technologies

ANALYSIS AND APPLICATIONS

Applications of Industrial Wireless Technologies: **Bluetooth, Wi-Fi, RFID, GSM, GPS**

INTERNET OF THINGS

IoT Concepts
Applications of Internet of Things (IoT),
Sensors

PROJECT DEVELOPMENT

Development of Projects based on Real Life applications of Wireless Technologies and IoT

Training Module Coordinators:

Dr. Garima Saini

Phone No. 0172-2759665, Email: garima@nitttrchd.ac.in

Mr. Jatin Sharma

Phone No. 0172-2759550, Mob No. 8800458887, Email: jatin@nitttrchd.ac.in

Accommodation: Hostel Facilities are available at reasonable rate, details may be obtained at the following link:
