Total no. of students placed by the Institution through its Placement Cell (Discipline wise)

Since all the candidates to M.E. Programmes are sponsored teachers from Polytechnics and Engineering Colleges, they are already employed. However, they get promotions as and when posts are available. They may shift to higher positions either in institutes or in industries. General (fresh candidates admitted against GATE score in M.E. Programmes may get teaching

or Research and Development as employment opportunities.

- Cut off mark/rank for admission As per the criteria of admission, the total score calculated based on during the last three years aggregate % of marks and experience should not be less than 25 except in case of GATE qualified.

10.13 Major achievement/s (National/International level) of the institute for the period (2024-25) under review:

Academic Achievements of the Departments

Achievements of the institute are reported under **05** major areas viz., Staff Development; through Training & Education Curriculum Development & revision; Instructional Material Development & implementation; Research and Development; Extension Services and Consultancy. Distinctive programs and activities undertaken during the years are as under:

1. Distinctive Programmes and Activities (2024-25)

- During the year 2024-25, 315 short term programs were conducted through contact and ICT mode for faculty/staff of engineering colleges and polytechnics which were attended by 35955 teachers from various

states of the country. Besides this, 33914 participants were trained through MOOCs/NITTT Modules.

- 13 MoUs Signed in this period with various institutes and industries like CPSC Manila, SPU Mandi, IIT Roorkee, Ministry of Education and NCVET.
- Apprenticeship Programme under the Apprenticeship Act 1961 was initiated in NITTTR Chandigarh. Many apprentices have joined in the institute under this initiative.
- 156 Video Films prepared for MOOCs and 165 video films uploaded on NCTEL Channel of YouTube.
- NITTTR Chandigarh, in association with AICTE (New Delhi), hosted a three-day offline, non-residential programme on Universal Human Values from 15 to 17 May 2024 where 113 participants attended.
- Shri K. Sanjay Murthy, IAS, Hon'ble Secretary, Department of Higher Education, Ministry of Education, Government of India, visited the National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh on 3rd May 2024.
- The Swachhata Hi Seva (SHS) 2024 campaign was successfully conducted at the National Institute of Technical Teachers Training and Research (NITTTR), Chandigarh, from 1st September to 2nd October 2024.
- National Institute of Technical Teachers Training and Research, Chandigarh (Ministry of Education, Government of India) organized a Conclave for Promoting Internationalization on 26th November, 2024 in resonance with the objective of NEP 2020 to internationalize India's education system.
- Under the mission mode recruitment, 22 new employees joined NITTTR on different posts.
- The institute launched 04 new MOOCs out of which 03 of them were in Regional Languages (in Hindi and Punjabi) and rerun 04 MOOCs in SWAYAM Portal.
- The institute organized one International Conference and three National Conferences during this year.
- Total 51 students in ME Regular and Modular in various branches.
- Faculty published 106 SCI Papers and 73 in other Journals. Faculty also published 69 papers in Proceedings in International Conferences and National Conferences.

11.	Mobile and Wireless Communication (in Hindi) (New)	Dr. Garima Saini
12.	Digital Electronics: theory and Practice (in Punjabi) (New)	Dr. Balwinder Singh Dhaliwal

2.1 Staff Development

The institute continued to grow in terms of academic activities, both qualitatively and quantitatively. The qualitative dimensions covered related to continued improvements by way of increased emphasis on applications, case studies and industrial exposure in training programs besides more efficient and effective use of e-content, videos, in teaching-learning process. During 2024-25, the details of the long term and short term training programs conducted by the institute for faculty/staff of engineering colleges and polytechnics are given below:

2.1.1 Long Term Programmes

2.1.1 (a) Ph.D. Programmes

As Deemed to be university, the institute registered 27 Students in Ph.D. Program (in Modular Mode) in different disciplinary.

2.1.1 (b) M.Tech. / M.E. Programmes

The Institute offers full-time industry-oriented and practice-based Master's Degree Programs for Working Professionals of 02 years' duration. The courses are approved by AICTE in the following disciplines:

- Mechanical Engineering (Manufacturing Technology)
- Civil Engineering (Construction Technology and Management)
- Electrical Engineering (Instrumentation and Control)
- Electronics and Communication Engineering

The institute is also offering these Master's Degree Programs on modular basis. The modular program is of 3½ years duration. These ME programs are duly approved by AICTE and mainly for the working personnel who undergoes the course work during Summer and Winter break but are evaluated along with the regular students on the same question paper as they appear for examination with regular students. This unique model of the institute is a platform for the service personnel to upgrade quality knowledge through a flexi mode degree awarding programme ensured with quality. This programme was launched in the year 2005. Since then majority of the polytechnic faculty members could enhance their qualification spreading to all parts of the country.

2.1.2 Short Term Courses (STCs)

The Faculty Development Programmes were broadly of 5 categories viz: industry oriented, industry supported, research oriented, skill oriented and advanced level. The Institute offers need-based and customized short-term courses of one to two weeks' duration for faculty/staff of engineering colleges, polytechnics and working professionals from industry. During the year 2024-25, 315 short term programs were conducted through contact and ICT mode for faculty/staff of engineering colleges and polytechnics which were attended by 35955 teachers from various states of the country. Besides this, 33914 participants were trained through MOOCs/NITTT Modules. For complete detail, kindly refer to Annual Report 2024-25.

28.	Learning Outcomes-Based Curriculum Framework (LOCF) of Environmental Science (EVS)	25
29.	Design of Syllabi for UGC, B.Sc, M.Sc. Prog. EVS	19

2.2 Curriculum Development

The institute continued to undertake curriculum development activities including the design and review of curricula for courses in engineering and non-engineering areas through a scientific approach, which has been considerably internalized by the polytechnic system enabling them to take up similar projects by themselves with some guidance from this institute. During the year 2024-25, 83 curricula have been designed for Haryana, Maharashtra and Punjab state. The institute also revised 56 curricula for Haryana and Punjab State. The institute conducted 20 Curriculum Development Workshops of 1-2 days' duration which were attended by 360 participants.

2.3 Instructional Material Development

During the year 2024-25, institute continued its efforts to promote development of instructional material, both print (text books, laboratory manuals, modules, readers etc.) and non-print (video programme, MOOCs videos). Emphasis was made to develop course material for MOOCs as it is thrust area of MoE. The institute faculty could publish 02 Edited Text books, 25 Book Chapters, 02 lab Manuals and 01 Readers. The institute developed 156 Video films and 165 video films are edited and uploaded in YouTube channel

2.4 Research and Development

Research and development activities in technology and technical education form an important aspect of the institute's programme. During the year 2024- 25, 07 Ph.D. and 62 ME thesis were completed under guidance of institute faculty. For details of Sponsored Research Projects and Consultancy Research Projects Please refer to Annual Report 2024-25.

2.5 Extension Services and Consultancy

Policy Planning and Service to Industry and Community

The Institute has continued to play a proactive role to influence the planning and development of technical education and also collaborated with institutions and organisations at national and international levels having similar objectives. The institute also provided consultancy services to government, public sector and other national and state level organisations, technical education system and industry in the area of engineering and technology, educational management, curriculum development, entrepreneurship development and rural development. The Institute earned consultancy Projects of amount Rs. 289.03 Lakhs. The institute signed MoUs with 13 Institutes, the details of which can be found in Annual Report 2024-25.

2.6 Academic Achievements of the Departments

Applied Science Department

During the year 2024-25, the department has conducted 29 short term training programs in ICT and Contact modes, which were attended by 2491 teachers from polytechnics and engineering colleges. The Department has conducted 6 workshops with 589 participations and 01 national conference with 37 participants. The department faculty published 23 papers in SCI Journals. The department also published/presented 03 papers in proceedings of International Conferences. The department faculty edited 01 text book and contributed 06 chapters in edited books by international publishers. The faculty member of department attended 02 in-house and 05 outstation training programmes for professional development.

Civil Engineering Department

During the year 2024-25, the department has conducted online 30 short term training programs in ICT and Contact Mode, which were attended by 1496 teachers from polytechnics and engineering colleges. The Department has conducted 1 workshops with 238 participations. The department faculty published 1 papers in SCI Journals, 29 papers in Non-SCI International Journal. The department also published 02 papers in proceedings of International Conferences & Seminars.

Computer Science and Engineering Department

During the year 2024-25, the department has conducted online 27 short term training programs in ICT and Contact Mode, which were attended by 7956 teachers from polytechnics and engineering colleges. The department faculty published 06 paper in SCI Journals, 01 paper in Non-SCI National Journal and 04 papers in Non-SCI International Journal. The department also published 21 papers in proceedings of International Conferences & Seminars. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Curriculum Development Centre

During the year 2024-25, the department has conducted online 34 short term training programs in ICT and Contact Mode, which were attended by 5576 teachers from polytechnics and engineering colleges. The Department has conducted 20 workshops with 360 participations. The department faculty published 04 papers in SCI Journals, 03 papers in Non-SCI Journals. The department also published 02 papers in proceedings of International Conferences. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Education and Educational Management Department

During the year 2024-25, the department has conducted online 22 short term training programs in ICT and Contact Mode, which were attended by 2862 teachers from polytechnics and engineering colleges. The Department has conducted 01 workshop with 60 participations. The department faculty published 01 paper in SCI Journals, 01 paper in Non-SCI International Journal. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Electrical Engineering Department

During the year 2024-25, the department has conducted 15 short term training programs in ICT and Contact Mode, which were attended by 2383 teachers from polytechnics and engineering colleges. The Department has conducted 2 workshops with 306 participations. The department faculty published 2 papers in SCI Journals, 04 papers in Non-SCI International Journal. The department also published 13 papers in proceedings of International Conferences & Seminars. The Electrical Engineering Department established State of the Art Electric Vehicle Laboratory last year. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Electronics and Communication Engineering Department

During the year 2024-25, the department faculty took 23 courses for Regular and Modular M.E. programmes. Total 26 short-term training programs in Contact and ICT Mode, which were attended by 3134 teachers from polytechnics and engineering colleges. The Department has conducted 01 webinar with 80 participations. The department also conducted 02 Student Training Programmes of 04 Weeks and 06 Weeks duration with total of 22 student's participation. The department faculty published 2 papers in SCI Journals, 05 papers in Non-SCI Journals. The department published 12 papers in proceedings of International Conferences. The faculty of the department attended online and offline training programs during the year. The faculty also submitted research proposal to the funding agency. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website

Entrepreneurship Development and Industrial Coordination Department

During the year 2024-25, the department has conducted online 30 short term training programs in ICT and Contact Mode, which were attended by 2020 teachers from polytechnics and engineering colleges. The Department has conducted 3 workshops with 123 participations. The department faculty published 1 papers in SCI Journals, 02 papers in Non-SCI International Journal and 02 in Non-SCI National Journal. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Information Management and Emerging Engineering Department

During the year 2024-25, the department has conducted online 07 short term training programs in ICT and Contact Mode, which were attended by 1253 teachers from polytechnics and engineering colleges. The Department also organized 08 Consultancy Programmes to various organizations and Universities and trained 436 participants. The Department has conducted 07 workshops with 278 participations. The department faculty published 11 papers in SCI Journals, 01 papers in Non-SCI International Journal, 08 in International Conferences and 03 in National Conferences.

Mechanical Engineering Department

During 2024-25, the department has conducted online 42 short-term training programs in ICT and contact mode, which were attended by 2106 teachers from polytechnics and engineering colleges. The department has conducted 03 workshops with 56 participants. The department faculty published 58 papers in SCI journals, 03 papers in non-SCI international journals and 01 papers in non-SCI national journals. During the year, the department also published 08 papers in Proceedings of International Conferences & Seminars. 02 patents were published. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Media Engineering Department

During the year 2024-25, the department has conducted online 27 short term training programs inclusive of ICT and Contact Mode, which were attended by 1543 teachers from polytechnics and engineering colleges. The department faculty and staff published 01 paper in SCI Journal, 01 paper in International Conference and 01 International Book Chapter. The faculty and staff of the department attended 02 training programmes (01 online and 01 offline programme) during the year. The faculty of the department coordinated the NITTT MOOC programme on Institutional Management and Administrative Procedures 02 times in the year in which about 3600 faculty members from Engineering Institutions in the country participated. The Department coordinated the production of 04 MOOCs for SWAYAM portal in the areas of Electronics and Mechanical Engineering (02 in Hindi language, 01 in Punjabi language and 01 in English language). For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.

Rural Development Department

During the year 2024-25, the department has conducted online 20 short term training programs in ICT and Contact Mode, which were attended by 1296 teachers from polytechnics and engineering colleges. The Department has conducted 08 workshops with 399 participations. The department also published 03 papers in proceedings of International Conferences & Seminar's. 02 patent was also filed during the year to a faculty member of department. For complete detail, refer to Annual Report, 2024-25 uploaded in the institute website.
